

15 Hours: An Alex Sedaka Thriller

Fifteen hours to save a man on death row. San Francisco lawyer Alex Sedaka is surprised when California governor Chuck Dusenbury offers 11th-hour clemency to Clayton Burrow, Sedakas death row client, on the condition that Burrow reveals where he buried the body. But theres a problem: Burrow insists that he is innocent and claims that he was framed by the missing girl herself. Until then, Sedaka thought that Burrow was guilty. Now he is not so sure. Thus begins a race against time to unravel the mystery, aided by his computer-savvy son, his loyal secretary, and his enigmatic legal intern. With the clock ticking down to Burrows execution, Alex is frustrated at every turn. And as the execution looms ahead, the race turns frantic and dangerous for Alex.
