

Alpha Packed: A BBW Paranormal Shifter Romance - Book 1 (The Alpha Packed BBW Paranormal Shifter Romance Series)

A BBW Paranormal Shifter Story Darlene discovers an inner power that can help her werewolf boyfriend, Idris, in his fight against a rival pack. How can she hope to master such power if it frightens her so? ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** Darlene has led a quiet life since suffering through a terrible break-up. She wants nothing more than to spend her time in front of the TV, away from any sort of trouble. But all that goes down the drain when handsome, rugged and rough Idris comes into her life. His secret? He is a werewolf on the lookout for his missing pack leader. Darlene quickly finds herself pulled towards this mysterious man and at the same time finds herself falling deeper and deeper into the world of the supernatural. The more she falls for Idris, the more Darlene gets swept up in inter-pack conflicts, vampires with agendas and a dark plot to bring the worst of both worlds together. As Darlene gets pulled deeper down the rabbit hole, she finds out more about herself than she ever knew possible. Can Darlene balance her regular life with the world that Idris has introduced her to? Or will she find herself overwhelmed by the dangers facing her headfirst? Download this book to find out.
