

The Vivisectionist

The boys have the perfect summer planned. They'll camp out in the backyard for their last vacation before high school. There's only one problem even though they're just a hundred feet from the safety of the house, they're being hunted by a serial killer. * * * Sign up for the mailing list at <http://www.ikehamill.com> for a free copy of Ikes next eBook. * * * Join Jack, Ben, and Stephen as they strap on their backpacks and go out looking for adventure. The woods behind Jack's house contain endless trails to explore, and the boys have weeks to investigate them all. Their neighborhood finally seems at peace again, now that the man who snatched the kid from down the street has been caught. But there's still danger in those woods, and the boys are about to stumble into it...
