

## Cop Town: A Novel

NEW YORK TIMES BESTSELLER Karin Slaughter, author of the bestselling Will Trent novels, is widely acclaimed as one of the best crime novelists in America (The Washington Post). Now she delivers her first stand-alone novel: an epic story of a city in the midst of seismic upheaval, a serial killer targeting cops, and a divided police force tasked with bringing a madman to justice. Atlanta, 1974: As a brutal murder and a furious manhunt rock the city's police department, Kate Murphy wonders if her first day on the job will also be her last. She's determined to defy her privileged background by making her own way wearing a badge and carrying a gun. But for a beautiful young woman, life will be anything but easy in the macho world of the Atlanta PD, where even the female cops have little mercy for rookies. It's also the worst day possible to start given that a beloved cop has been gunned down, his brothers in blue are out for blood, and the city is on the edge of war. Kate isn't the only woman on the force who's feeling the heat. Maggie Lawson followed her uncle and brother into the ranks to prove her worth in their cynical eyes. When she and Kate, her new partner, are pushed out of the citywide search for a cop killer, their fury, pain, and pride finally reach the boiling point. With a killer poised to strike again, they will pursue their own line of investigation, risking everything as they venture into the city's darkest heart. Relentlessly paced, acutely observed, wickedly funny, and often heartbreaking, Cop Town is Karin Slaughter's most powerful novel yet a tour de force of storytelling from our foremost master of character, atmosphere, and suspense. Features a preview of Karin Slaughter's next novel, *Pretty Girls*. Karin Slaughter is simply one of the best thriller writers working today, and Cop Town shows the author at the top of her game: relentless pacing, complex characters,

and gritty realism, all set against the backdrop of a city on the edge. Slaughters eye for detail and truth is unmatched... . Id follow her anywhere.Gillian FlynnCop Town proves Karin Slaughter is one of Americas best writers... . She pulls her readers into a twisted tale of mystery and keeps them fascinated from start to finish.The Huffington PostStunning ... Karin Slaughter breaks new ground with this riveting story.
