

House of V (Unraveled Series) (Volume 3)

Book #3 in the Unraveled Series. One year after killing my so-called father, I thought I'd buried the past six feet under. A new country. A new name. And now love. I've just received an urgent message from Delaney, the sister I never knew I had until a year ago. She told me that Father Haskens was found dead in the rectory of St. Marys Church in Appleton and that Sister Josephine was in danger. They need my help to finish what Holston Parker started, but I can't imagine going back to the place where it all began. I've spent my whole life as an after-thought, unwanted by the man that took me. And now, I'm being hunted, and I never knew how bad it could hurt. - Evie Parker
