

Pistol Whipped (Locked & Loaded Series) (Volume 2)

The Locked & Loaded Series is a spinoff of the Amazon Bestselling Sand & Fog Series. Im Dillon Warrick. Ex-Special Forces. I have no memory of what went down on my last deployment, so when the opportunity came to resign my commission and sign up for a new gig I jumped on it. Now Im the personal bodyguard for the biggest celebrity on the globe and still living life on the edge. Im six feet two inches of blond-haired, blue-eyed Adonis, combat-fit body and fully loaded weapon. My best friend, Graham, thinks Im running too close to the edge and about to take a fall. And then theres Rachel, my former high school sweetheart turned f&k-buddy. As incredible as she is, I cant commit until I unravel the mystery of what happened on my final mission.
