

## City of Spirits (Romantic and Humorous South Louisiana Gothic Ghost Story): New Orleans Paranormal Mystery Thriller (French Quarter Mystery Book 2)

P.I. Wyatt Thomas is more than a French Quarter sleuth. Much more. Whenever a new client needs someone to investigate ghosts, psychic possession, or the paranormal and supernatural backside of New Orleans, Wyatt Thomas is the one to call. Its Mardi Gras in New Orleans, Louisiana, an escaped killer on the loose, and French Quarter sleuth Wyatt Thomas has his hands full. Wyatts new client wants him to prove he isnt a passeblanc, a person of black heritage that is passing for white. A definite no-no in genteel New Orleans society. Psychic P.I. Wyatt Thomas is an alpha male with a dangerous reputation. Witty, humorous, and deadly sexy, hes not above using voodoo, magic and ESP in his paranormal detective practice. When he meets a hot super model with a twin sister and equally hot mother, he experiences primal urges that run the gamut of desire, carnal instincts, passion, darkest fears, and horrifying truths. Will Wyatt solve his clients social problem? A haunted house filled with French Quarter ghosts and spirits may decide the answer in this romantic paranormal mystery thriller set in the gothic French Quarter of the Big Easy. He may need the help of French Quarter psychics, witches, and wizards. City of Spirits is a must read page turner. As one reader said, If you love New Orleans and Louisiana, this writer will take you there.
