

## Gingerbread Man: A Marlow and Sage Mystery (A Nursery Rhyme Suspense) (Volume 1)

When that cute chick you met online is murdered - but shows up for your next internet meeting anyway. Marlow's just a regular geeky freshman with little to no experience with girls, so when he has a semi-flirtatious chat with a cute girl online, it's almost more than his nerves can handle. Then the girl is brutally murdered. Or is she? Marlow finds himself teamed up with intelligent and savvy Sage Farrell, a girl so far out of his league he feels blinded in her presence - literally - damn glasses! Together they work to find the identity of @gingerbreadman. Can they stop the killer before he strikes in more worlds than one?
