

## Captive of the Hitman: A Bad Boy Mafia Romance Novel

I was sent to kill her. There was one rule for this job. No witnesses. Then I saw her. She wasn't supposed to be there, and I can only imagine what those dirtbags had been planning for her with her gorgeous blonde hair and her deadly curves. So I did the one thing I knew I shouldn't: I killed every a\*\*hole in that room and I took her as my prize. I don't save people's lives. I'm a killer, a hired hitman for the Russian mob. But I tell her to trust me, and I mean it. I'm not going to let anyone take her away from me. I'd sworn off women long ago, but I can't resist her long legs and wicked mind, and every time I tell myself I'm being foolish, she gets down on her knees and begs me not to leave her. I'd rather die than lose her and the baby I know she'll give me. A full length Standalone Romantic Suspense novel. No Cliffhangers. Safe from cheating. Explicit language & swearing.
