

Dark Pharaoh (John Sinclair - Episode 5)

Dr. Kenneth Hopkins, a renowned Egyptologist, wakes up from uneasy dreams to find himself engulfed in darkness. Within seconds, he realizes that he's in a coffin. He's been buried alive... and a voice inside his head is laughing... In his latest adventure, Detective Chief Inspector John Sinclair travels to Egypt to stop an unspeakable evil. When a British expedition uncovers the tomb of an ancient sorcerer, they unwittingly open a portal into another dimension... and awaken a demonic force intent on destroying our world. Detective Chief Inspector John Sinclair works for Scotland Yard's Special Division, an elite unit that deals with extraordinary cases. DCI Sinclair is a battle-hardened veteran of Afghanistan, a man haunted by the past. His latest case takes him from the back alleys of London to the Egyptian desert. A heart-pounding race against time begins, and John faces an evil that is older than our world... John Sinclair is a reboot of Europe's longest running horror series. Originally conceived in 1973 and still running strong, the John Sinclair novellas are firmly rooted in the finest pulp traditions, true page turners with spine-tingling suspense, exquisite gore and a dash of adventure. John Sinclair combines the dark visions of Stephen King, Clive Barker and the X-Files with the fast-paced action and globe-trotting excitement of James Bond.
