This is the Omnibus edition containing all 3 stories in Kathleen Valentines Beacon Hill Chronicles: The Crazy Old Lady in the AtticThe Crazy Old Ladys RevengeThe Crazy Old Lady Unleashed The series is psychological suspense with murder and a few ghosts thrown in. When Mattie Thorndike Michauds wealthy elegant grandmother, GrammyLou, dies, Mattie inherits a fabulous five story townhouse on Bostons Beacon Hill. But as Mattie and her husband Stan prepare the house to be sold strange discoveries lead to long kept secrets, kidnappings, murders, and haunting. It is up to Mattie and Stan, with the help of Matties childhood friend Vivienne Lang, a strange woman of formidable skills, to rid the house of these horrors. Volume 1 The Crazy Old Lady in the Attic: Psychological / horror. - The townhouses on serene, elegant Beacon Hill in Boston are some of the most lavish and expensive in the country. When Stan and Mattie take up residence in the dark and crumbling five-story house that Mattie grew up in, and has just inherited from her grandmother, their plans are to clean it out, fix it up, sell it, and return to their quiet life on Cape Cod. Mattie is overwhelmed by the gowns, furs and jewels in GrammyLous bedroom. Stan is amazed by the fifth-floor ballroom which has been locked up since the night of Matties fathers thirtieth birthday party -- the party that ended in the car wreck that killed both of her parents. Now, as they set about sifting through GrammyLous endless possessions they find mysterious things: a closet full of still-wrapped presents, a marked passage in her grandfathers Bible, and a secret drawer with disturbing content. Mattie soon learns that her entire life has been built on a foundation of lies... that she was raised in a house of horror, by a monster. Volume 2 The Crazy Old Ladys Revenge: Psychological / horror - Growing up in her grandparents apartment in Bostons Theater

District, Vivienne Lang spent much of her childhood in the Beacon Hill townhouse of her best friend, Mattie Thorndike. Then Vivienne's life was uprooted and, by the time she returned to Boston, she was deeply changed. Now, she spends her time taking care of her grandfather and studying martial arts, a lonely and reclusive woman, until she reads a newspaper article about a body buried in the garden of Mattie's home. She and Mattie reconnect but within days of their reunion the realtor showing the house is found in the servants stairwell with a broken neck. Then the old housekeeper, Nell, is found floating, face down, in the ocean. As more bodies turn up, Vivienne becomes deeply involved in inexplicable circumstances including meeting a handsome, sexy ex-cop named Joe Quinn, and a strange, yarn shop-owner who calls herself Madame Defarge. And someone seems to be stalking Mattie.

Volume 3 The Crazy Old Lady Unleashed: Psychological horror/suspense, ghosts/paranormal - Two years have passed since the horrible events in the Thorndike brownstone on Beacon Hill. Viv and Joe are recovering. Mattie and Stan have Adam, the little son they both adore. But strange things are going on in Grammy's townhouse; realtors refuse to show it because they say it is haunted and prospective buyers are being frightened away. Mattie hires a Salem ghost-hunter named Destiny Starlight, but though she identifies three distinct spirits haunting the old ballroom, her bungling only makes matters worse. With the help of Calista Defarge and Anteus Roosevelt Jones, an elderly historian, Viv discovers an ancient secret the house conceals. Guided by a mysterious Romanian monk, Brother Maksim Gromyko, Viv makes a terrifying journey that could end her relationship with Joe--and possibly her life.
