

Fiction River: Fantastic Detectives (Fiction River: An Original Anthology Magazine) (Volume 9)

Fantastic detectives come in many forms, from dogs to elves to eggs. (Yes, eggs.) And fantastic detective stories come in all mystery subgenres, from cozy to hard-boiled. (Remember. Eggs.) All of these forms and subgenres combine to create one of the most delightful additions to the Fiction River anthology series. With stories featuring New York Times bestseller Kevin J. Anderson's popular zombie detective Dan Shamble and USA Today bestseller Dean Wesley Smith's most beloved character, Poker Boy, Fantastic Detectives provides Fiction Rivers most creative volume yet! Fiction River: Fantastic Detectives is a great read if you like to blend mystery with your fantasy. Check it out. Keith West, Amazing Stories

Fiction River: Fantastic Detectives is a great choice for anyone who loves it when genres are swirled together. Its nominally more heavily influenced by mystery conventions and tropes, but the science fiction and fantasy elements in it are almost as strong. Long and Short Reviews
