

Lowcountry Boneyard (A Liz Talbot Mystery Book 3)

USA TODAY Bestselling Author - The AGATHA AWARD-WINNING Liz Talbot Mysteries Has everything you could want in a traditional mystery: a credible and savvy protagonist, a meaty mystery, and setting that will make you want to spend time in South Carolina. I enjoyed every minute of it. Charlaine Harris, New York Times Bestselling Author of Day Shift Boyer deftly shapes characters with just enough idiosyncrasies without succumbing to cliches while infusing her lighthearted plot with an insightful look at families. Oline Cogdill, South Florida Sun Sentinel Filled with tension and suspense, relieved only by a hilarious scene on family night with Liz parents, and, of course, with the romantic scenes as well. Lowcountry Boneyard is a mystery worthy of an Agatha Award winner. Lesas Book Critiques This brilliantly executed and well-defined mystery left me mesmerized by all things Southern in one fell swoop. Boasting a superb cast of characters, engaging conversations, a feel good atmosphere and all-around entertaining whodunit, this is the best book yet in this wonderfully charming series. Drus Book Musings This third in the series continues to smoothly combine elements of the paranormal and romance with a strong investigative plot that delves into the deeply hidden secrets of families The charming setting, strong writing, and extremely engaging characters that have become hallmarks of this series never cease to entertain. Kings River Life Magazine Lovely writing with well-developed characters, a believable plot and plenty of interesting detail Boyer may be unstoppable in conjuring mystery as she travels the social circles and back roads of the fascinating southern landscape.

Speakers International Where is Kent Heyward? The twenty-three-year-old heiress from one of Charlestons oldest families vanished a month ago. When her father hires private investigator Liz Talbot,

Liz suspects the most difficult part of her job will be convincing the patriarch his daughter tired of his overbearing nature and left town. That's what the Charleston Police Department believes. But behind the garden walls South of Broad, family secrets pop up like weeds in the azaleas. The neighbors recollect violent arguments between Kent and her parents. Eccentric twin uncles and a gaggle of cousins covet the family fortune. And the lingering spirit of a Civil-War-era debutante may know something if Colleen, Liz's dead best friend, can get her to talk. Liz juggles her case, the partner she's in love with, and the family she adores. But the closer she gets to what has become of Kent, the closer Liz dances to her own grave. Related subjects include: women sleuths, private investigator mystery series, cozy mysteries, murder mysteries, whodunit mysteries (whodunnit), book club recommendations, Southern fiction, Southern humor, Southern living.
