

Diary of a Small Fish

When Paul Forte is indicted by a federal grand jury, everyone suspects prosecutor Bernard (dont call him Bernie) Kilroy has more on his mind than justice. Then the FBI agent in charge of Pauls case gives him a clue to the mystery: Kilroy is bent on settling an old family score, and hes not above breaking the law to do it. Paul is already dealing with the death of his parents and divorce from a woman he still loves. Now, with the support of an alluring grand juror, Paul must expose the vindictive prosecutors own corruption before the jury renders a verdict on his Osso Buco.
