

Dark Flame (Paranormal Hunter Book 4)

If you hunt paranormal creatures for a living, life can get pretty complicated. Just ask demon princess and paranormal hunter, Sonnet Vale. Sonnet has escaped demon-hell, and is now faced with her biggest challenge yet: raising a rapidly growing dragon-shifter in a city full of magic and mayhem. On top of that, Phantom City residents are turning up dead, and the fire-breathing murderer is closer to Sonnet than she is aware, which will leave her forced to choose between her heart, and what's best for her daughter, Poppy Vale.
