--- Ronnie (or Veronica as Mrs. B always insisted on calling her) is all grown up with a family of her own, and the Christmas she babysat for the Baumgartners is just a pinpoint in her memory. That is, until a persistent suggestion of a threesome by her husband, T.J., brings it all flooding back. When she reveals how the Baumgartners and the nanny, Gretchen, had seduced her during her time in Key West, her husband takes it upon himself to make some phone calls. Opportunity, or perhaps fate, presents itself, and Ronnie and her husband get an invitation to join Gretchen and the Baumgartners on their vacation. Ronnie finds herself torn, once again, between what she wants and what someone else wants for her--or are they, after all, one in the same? NOTE: This title contains erotic situations, graphic language, sex, and so much a menage a trois (MFF threesome) action you just may begin to chafe! IF YOU LIKED THIS BOOK you may want to have more fun with this family! Listed in Chronological Order! Meet the Baumgartners - FREE!
