

# Sweat

An amazing story with nonstop action taking us from a garment sweat shop in Saipan to the upper echelon of Washington D.C.s elite politicians and business men. Single Titles Another amazing, white knuckle read!! Mark Gilleo is both talented and gifted when it comes to page turning story telling. A master!! Bravo!! A book not to be passed by!! Extraordinary!!! CMash Reads SWEAT is a political thriller that will engage any and all readers. Very well written and highly recommended! Crystal Book Reviews Finalist 2014 International Book Award Finalist: 2014 National Indie Excellence Award When Jake Patrick took a summer internship at his estranged fathers corporation, he anticipated some much-needed extra cash and a couple of free meals from his guilty dad. He would never have guessed that hed find himself in the center of an international scandal involving a U.S. senator, conspiracy, back-room politics, and murder. Or that his own life would hang in the balance. Or that hed find help and much more than that from a collection of memorable characters operating on all sides of the law. Jakes summer has turned into the most eventful one of his life. Now he just needs equences with lightning pacing, a twisting plot, an unforgettable cast of characters, and wry humor. It is another nonstop thriller from oor himself ever since.Court is determined to find out what happened all those years ago to make the Agency turn against him. On his list to interrogate are his former partners and the men who sent him on his last mission. What he doesnt realize is that the questions that arose from that mission are still reverberating in the US intelligence community, and hes stumbled onto a secret that powerful people want kept under wraps. And now they have him in their crosshairs.Court is used to having people on his trail, but this time, its on US soil - the last place he wants to be. Hell have to

find the answers to his fate while evading capture ... and avoiding death.
