

The Body of Jonah Boyd: A Novel

Denny is a secretary who has just begun an affair with her boss, while also maintaining a friendship with his wife. Invited to the family's house for Thanksgiving dinner, she enters into a chain of events that will change everyone's lives in ways that none can imagine. Hilarious, scorching, and full of surprises, *The Body of Jonah Boyd* is a tribute to the power of home, the lure of success, and, above all, the sisterhood of secretaries. The book, with its acerbic tone and tight plot, is an unlikely vehicle for a paean to domesticity, yet it's this odd fit that makes *The Body of Jonah Boyd* such a pleasure. -New York Times Book Review
