

# The Rising Son (A Werewolves Saga) (Volume 2)

The war has raged and the end is now in sight. The humans have pushed their once Walker overlords to near extinction. With the end coming, Devish, the last of the Blood Walkers, has found a new Moonwalker to assist him in the fight and he is determined to find him. When the Wanderers and their human allies learn of this too, a fight will ensue to find this Walker before the others can. Who is he? What is he? Who is the black wolf named Kalima?
