

Mister X (Frank Quinn series Book 5)

Fear Leaves A Mark He mutilates his victims. Slices their throats. And carves an X into their flesh. Five years ago, he claimed the lives of six women. Then the killings abruptly stopped--no one knows why. Ex-homicide detective Frank Quinn remembers. Which is why hes shocked to see one of the dead women in his office. Actually, shes the identical twin of the last victim, and she wants Quinn to find her sisters murderer. But when the cold case heats up, it attracts the media spotlight--and suddenly the killings start again. . .A Heart-Pounding Roller Coaster Of A Tale.--Jeffery Deaver on Night VictimsLutz Is Among The Best.--San Diego UnionLutz Is In Rare Form.--The New York Times Book Review on Chill of Night Lutz knows how to make you shiver.--Harlan Coben
